

APPLICATION FOR FELLOWSHIP

Before completing this form please read the Notes for Guidance for Applying. All relevant sections of the following form must be completed, even when additional information is provided on a separate sheet. Completed applications should be emailed through to memberships@istonline.org.uk or posted to the address at the foot of this page.

Personal details collected in respect of applications will be treated in the strictest confidence and every effort is made to ensure that data are held securely.

Please accept my application for Fellowship. I agree to my details being passed to individuals involved in the application review process. If accepted as a Fellow, I agree to abide by the Code of Professional Conduct issued by the Institute of Science & Technology and accept that any breaches of the rules or the Code of Professional Conduct will be dealt with under disciplinary procedures.

Signed:

Date: Membership number (if already a member):

A. ALL APPLICANTS

Family name

Other names

Date of Birth

Business Address

Post Code Email

Home Address

Post Code Email

Membership of other Professional Institutes and other supporting information (continue on a separate sheet if necessary)

The following documents should accompany this application:

1. A full **Curriculum Vitae** including education and employment histories
2. **Two references to** endorse this application. Suitable referees will be persons who are, in the opinion of the Fellowship Panel, in a position to verify the achievements of the applicant and endorse their eligibility for the highest level of membership. Examples may include Fellows of the IST or other professional bodies or learned societies, senior managers in the workplace, academic, scientific or teaching staff. Referees should establish their

bona fides for the Fellowship Panel and in most cases one should be from the applicants current employer. If in doubt, please consult the Institute for advice.

Plus at least one of the following:

Proof of a **successful post graduate degree e.g. Ph.D., MSc., or M.Phil.,** with a high practical/technological content

Details of at least five **scientific publications** plus at least one copy of each publication

A title and outline (200-300 words) of a proposed **dedicated thesis** for approval

Considerable experience and achievement over several years which must include comprehensive details of all scientific, managerial or specialist ability.

Documents attached:

1. Curriculum Vitae
2. Endorsements from two referees
3. Profile justifying the application

Plus either of:

- A. Two copies of proof of a successful post graduate degree
 - B. Details of publications (two copies) plus one copy of each publication,
 - C. Two copies of an outline of a proposed dedicated thesis.
- or
- D. A comprehensive profile supporting an application by experience.
