ONE-DAY TECHNICAL CONFERENCE 2025

Calling all Technical Practitioners

Technical Professionals: Innovating and Evolving in a Changing Landscape

The cost-of-living crisis is reshaping workplaces and work-life balance. Are you ready to adapt and thrive ahead of these challenges and new opportunities?

Join Us: Our annual technical conference welcomes technical staff, managers and professionals working in STEM, AI and Creative Technologies backgrounds.

Why Attend?

- **Insights That Matter:** Gain essential knowledge to navigate the cost-of-living crisis and its impact on professional and personal balance.
- **Adapt and Thrive:** Learn strategies to improve productivity, foster innovation, and future-proof yourself.
- **Networking Opportunities:** Connect with specialists, peers, and experts in their fields.
- **Awards and Poster Competition:** Take part and be in with a chance of winning some great prizes and awards.

Don't miss this opportunity to stay ahead in the ever-evolving landscape of new changes and workplace dynamics.
