

## IST Membership and Professional Registrations Costs

There are two cost elements associated with Professional Registration – 1) IST membership subscription and 2) Professional Registration fee.

1) All those applying for and renewing CSci, RSci and RSciTech registrations must be members of the Licenced Body via which they are being registered and the annual costs of IST membership is as follows:

- Member (MIScT) – £45
- Fellow (FIScT) – £58

IST membership subscriptions are renewable annually

2) Professional Registration costs are as follows

- CSci – £45 for the initial application fee (which is non-refundable), £35 for annual renewal of registration (renewals falling on the anniversary of the CSci award). Please note these payments also cover the £25 Science Council registration fee.
- RSci/RSciTech – £35 for the initial application fee (which is non-refundable), £25 for annual renewal of registration (renewals falling on the anniversary of the RSci/RSciTech award). Please note these payments also cover the £15 Science Council registration fee.
